Minutes for last meeting
The minutes have been sent to all committee members to read and correct or expand.

Education Committee
In a recent meeting, committee members discussed:

--One idea was to have small weeknight series of demos, workshops, and/or short classes. The next step would be to see who has ideas and would be willing to lead various offerings. There would be two tracks, with some being sessions repeated periodically while others would be “one-off.”

--There are about 20 classes on the calendar for winter and spring, with about another 20 that are not worked out completely worked out and scheduled yet.

Garrett commented that the committee should look at the program overall for completeness, balance, etc.

Events Committee
Several events are already scheduled:

--January 28: Members Annual Meeting

--March 15: the first of a series of Book Arts members’ “Salons,” each one with a theme and related costumes, perhaps held off-site.

March: a members’ reception after the Festival of the Book

Late Spring: Introduction to the next members group project, a time to kick off the process

September: Re-begin Wayzgoose.
Garrett commented that if we wanted to have a session at the Omni during the Festival of the Book, time is short to get it on the festival schedule. There was general discussion of the success last year and there seemed to be a consensus that we should do one.

**Members Group Project**

Lana reported that work is going well; that Lotta will dye the canvas for the covers; that the project will be ready by the end of the year and can be introduced in the Spring.

**Next meeting**: January 08 at 5:00 PM.
